# hinksey

*Beautiful mittens entwined with cables that meander across the back and thumb.*

## Pattern Notes:

**Yarn:** Fyberspates Scrumptious Aran (45% Silk, 55% Merino, 180 Yards per 100g skein), 1 skein. Please note that if any extra length is added, then 2 skeins will be needed.

**Size:** Lying flat, unstretched, 30cm/12in from cuff to top and 8.5cm/3.5in wide (17cm/7in palm circumference). When worn, 28cm/11in from cuff to top and 20cm/8in circumference at palm. Will comfortably stretch further, giving slightly less length.

**Needles and accessories:** 1 set 4mm/US 6 DPNs or one long 4mm circular needle for magic loop.

1 Cable needle  
1 stitch marker

Since there are so many cables involved in this pattern, you may find it easier to use the 'Cabling without a Cable Needle' method. There are many tutorials online for this, such as <http://www.grumperina.com/cables.htm>.

This pattern uses charts to show the cable pattern. As the mittens are worked in the round, each line of the chart is worked from right to left

## Abbreviations

K: knit

P: purl

St(s): stitch(es)

SSK: slip, slip, knit

K2tog:knit two together

vSSP: slip, slip, purl

P2tog:purl two together

M1R: insert left needle underneath bar between sts from back to front and place on left needle tip, knit normally.

M1RP:insert left needle underneath bar between sts from back to front and place on left needle tip, purl normally.

M1L: insert left needle underneath bar between sts from front to back and place on left needle tip, knit through back loop.

M1LP:insert left needle underneath bar between sts from front to back and place on left needle tip, purl through back loop.

C4F: slip 2 sts to cable needle and hold to front, k2, k2 from cable needle

C4B: slip 2 sts to cable needle and hold to back, k2, k2 from cable needle

C4FP: slip 2 sts to cable needle and hold to front, p2, k2 from cable needle

C4BP: slip 2 sts to cable needle and hold to back, k2, p2 from cable needle

---

## Right Mitten

Using the long-tail method, cast on 44 sts. Divide sts over DPNs or circular needle and join to begin working in the round, being careful not to twist. Place marker.

Work round 1 from Chart A.

Repeat round 1 22 times more. Add or subtract rounds here if you wish to alter the length of the cuff of your mittens.

Work rounds 2 through 31 from Chart A.

Repeat rounds 26 through 31 3 times more, adding extra repeats here for length if desired.

Continue to work rounds 32 through 45 from chart.

Turn mitten inside out and rearrange so that you have 6 palm stitches on one needle and 6 back of hand stitches on another. Bind off all sts using the 3 needle bind off method. Break yarn and fasten off.

## Left Mitten

Work exactly as for right mitten, but work from Chart B rather than Chart A.

## Thumbs (both worked alike)

Place 18 held stitches from waste yarn onto DPNs or circular. With right side facing, rejoin yarn and work across stitches as follows: [K2, P2]x4, K2, pick up and knit 4 sts across opening. 22 sts.

Next round (partial round): [K2, P2] twice, K1. Place marker for beginning of round and redistribute sts if desired.

Work rounds 1 through 16 from Chart C. 6 sts.

Turn mitten inside out and rearrange sts so that you have 3 sts on each needle. Bind off using the 3 needle bind off method.

Fasten off and weave in ends.
